Dear Mr. Dominguez, Mr. Chapman, and Ms. Bobel Kilduff:

Subject: Summary of Annual Site Visit Conducted for The New School of
San Francisco on March 28 and 29, 2019

Thank you for the opportunity to visit The New School of San Francisco (NSSF). The California Department of Education (CDE) appreciates the tremendous amount of work you orchestrated before and during the annual California State Board of Education (SBE)-authorized charter schools site visit.

During the CDE's site visit, the CDE conducted classroom observations, conducted interviews with school leadership, staff, board members, parents, and other stakeholders. Additionally, the CDE reviewed artifacts along with other supplemental information. To this end, the CDE determined that NSSF is in compliance with the NSSF charter petition, and the Memorandum of Understanding between the California State Board of Education and NSSF.

Additionally, as the California Assessment of Student Performance and Progress data along with fiscal reports become available, the CDE will continue to monitor the fiscal viability and academic performance of NSSF, which could result in CDE requesting a written response, an action plan, or additional documentation.

If you have any questions regarding this letter, please contact Chaddrick Owes, Education Programs Consultant, Charter Schools Division, by phone at 916-445-6761 or by email at coves@cde.ca.gov.

Sincerely,

/s/

Lisa F. Constancio, Director
Charter Schools Division
